医学英語セミナー/Education-oriented Webinars (4)

Scientific Writing in the AI Era: Current Trends and Strategies for Successful Publication

Presenter:

Dr. Houman Goudarzi (Hokkaido University, Japan)

Date & time:

Jan. 13 (Wed.) 2027, 18:15 to 19:45 (LIVE)

Description: In this webinar, Dr. Houman Goudarzi will explore current trends in scientific writing and practical strategies for successful publication, including strengthening research messages and abstracts, selecting suitable journals, avoiding common writing and submission mistakes, and responding effectively to reviewers. Examples will illustrate how to use AI responsibly while preserving scientific accuracy and transparency.

Bio: Dr. Houman Goudarzi is an Associate Professor at Hokkaido University with 18 years of experience in scientific writing. He serves as an editor and reviewer for international journals in the life and medical sciences. He has authored about one hundred peer-reviewed articles, and his work has received over 40,000 citations in the past five years.

Registration is compulsory. For registration, please use the following link or scan the QR code.
We will send you the webinar Zoom link.
Application deadline: Jan. 12 (Tue.), 2027
